**SINGLES.** Passenger remains at No.1 this week with *Let Her Go*. This marks its fourth week at No.1, making it equal with **Baauer's Harlem Shake** (No.1 Feb. '13) as the longest running chart topper so far this year. The top four remain unchanged this week. The only new addition to the top ten this week is British band **Bastille** with *Pompeii*, moving twenty-three spots to No.10, also making it the biggest rise in the Top 40. **Calvin Harris** gets his second top 5 single this week with, *I Need Your Love* moving five spots to No.5. **Harris'** other top 5 hit was with *Sweet Nothing* (No.2 Oct '12). This week sees the return of both **Psy** with *Gentleman* making its debut at No.15 and **Avril Lavigne** charting for the first time in two years with *Here's To Never Growing Up* debuting just behind **Psy** at No.16. Meanwhile, *The Voice* contestants continue to debut on the chart with **Imogen Brough** and *Never Let Me Go* (No.43), **Nicholas Roy** and *Falling Slowly* (No.82) and **Michael Paynter** with *Somewhere Only We Know* (No.96).

**No.15 GENTLEMAN - Psy.** Korean sensation, **Psy** took the world by storm with his debut single *Gangnam Style* (No.62 this week). It debuted at No.7 in September 2012 and reached No.1 two months later. It has been in the chart for thirty-two weeks and counting. Proving he is not a one hit wonder, **Psy's** new release, *Gentleman* is the highest debut on the ARIA Singles Chart this week. Following in the footsteps of *Gangnam Style*, the music video for *Gentleman* is nearing 200 million views since its release on 13 April 2013.

**No.16 HERE'S TO NEVER GROWING UP - Avril Lavigne.** It has been two years since we have seen Canadian punk pop princess **Avril Lavigne** on the charts. **Lavigne's** last appearance was with *Smile* (No.25 June '11). In her now decade long career, **Lavigne** has topped the chart twice, first with *Complicated* (No.1 Aug. '02) and then *Girlfriend* (No.1 Apr. '07). *Here's To Never Growing Up* is **Lavigne's** fourteenth top 100 single in Australia.

**No.43 NEVER LET ME GO - Imogen Brough.** Making the highest chart debut out of this week's *The Voice* contestants is Celtic chanteuse, **Imogen Brough**. Singing *Never Let Me Go* in the blind audition, the song was originally by **Florence And The Machine** and it reached No.3 in April 2012. Thanks to **Brough**, the original re-enters the chart this week at No.53.

**No.55 CASTLES - B.o.B Feat. Trey Songz.** American hip hop artist, **Bobby Ray Simmons Jr.** AKA, **B.o.B** makes his eighth entry on the ARIA Singles Chart this week with, *Castles*. **B.o.B's** last appearance on the chart was earlier this year with *Arena* (No.36 Jan. '13). Of his eight charting singles, five have made it to the top ten. *Both Of Us* (No.5 Aug. '12), *So Good* (No.9 May '12), *Magic* (No.5 Oct. '10), *Airplanes* (No.2 May '10) and *Nothin' On You* (No.3 May. '10).

**No.82 FALLING SLOWLY - Nicholas Roy.** Thirty-two year old Melbourne-based singer songwriter, **Nicholas Roy** has been trying for half a decade to establish himself as a professional artist before auditioning for *The Voice*. *Falling Slowly* was originally written and sung by **Glen Hansard**, whose band **The Frames**, charted with the single when it peaked at No.71 in July 2009.

**No.87 WATCH OUT FOR THIS (BUMAYE) - Major Lazer.** Major Lazer is the musical project of DJ and producer **Diplo**, whose real name is **Thomas Wesley Pentz**. Under the **Major Lazer** moniker, *Watch Out For This (Bumaye)* marks his second time on the ARIA Singles Chart, with his first being *Get Free* (No.39 Feb.'13). As **Diplo**, he has only been on the charts once with *Set It Off* (No.87 Mar. '13). However, he has written and produced music for many major stars, including **No Doubt**, **Beyonce** and **Usher**.

**No.88 WORK - Iggy Azalea.** Born **Amethyst Amelia Kelly**, this twenty-two year old Australian rapper now adopts the stage name **Iggy Azalea** and lives in the US. **Azalea** started rapping at fourteen and moved to the US by herself at the age of sixteen. In 2012, she became the first female and first non-American rapper to be featured on hip hop magazine *XXL's* annual *Top 10 Freshman* cover issue. The single has done well overseas, peaking at No.19 on the UK Singles Chart this week.

**No.96 SOMEWHERE ONLY WE KNOW - Michael Paynter.** Having already had a gold accredited release with *Love The Fall* (No.19 Aug. '10), twenty-seven year old session musician **Michael Paynter** has toured with **Seal**, **The Script** and **The Veronicas**. This easily makes him one of the more experienced *The Voice* contestants this year, with his version of **Keane's Somewhere Only We Know** being his third entry in the ARIA Singles Chart, the first being *Closer* (No.61 July '08). **Keane** reached No.62 with the song in September 2004.

**No.100 LAZERBEAM - ShockOne Feat. Metrik & Kyza.** **Karl Thomas** is an Australian drum and bass producer who operates under the moniker **ShockOne**. The last time he charted was with *Chaos Theory* (No.95 Nov. '12), which was also the first time he had a release hit the Top 100. *Lazerbeam* just scrapes in to make it his second. His debut album *Universus* will be released this week.

**ALBUMS.** **Michael Buble's** new album *To Be Loved* debuts in poll position. It was only four months ago that he was at the top of the charts with his *Christmas* album. **Fall Out Boy's** new album, *Save Rock And Roll* debuts at No.2, with last week's No.1, **Paramore's** self-titled album, falling to No.8. This is the fifth time this year that the previous week's No.1 has fallen straight out of the top 5 and only the second time in ARIA Chart history that it has happened two weeks in a row (last week **Bring Me The Horizon's Sempiternal** dropped to No.10). The only other time this has happened was back in April 2008, when **Cut Copy's In Ghost Colours** dropped to No.9 and was followed by **Panic! At The Disco's Pretty. Odd.** dropping to No.7. **Flume's** self-titled also returns to the Top Ten this week for the third time, gaining new fans after he performed at *Triple J's One Night Stand* in Dubbo last week.

**No.1 TO BE LOVED - Michael Buble.** *To Be Loved* is the Canadian crooner's eighth studio album. It is also his third album to debut at No.1, with the last being *Crazy In Love* (Oct. '09) and before that, *Call Me Irresponsible* (July '07). **Buble's** previous albums *Michael Buble* (Sep. '04) and *Christmas* (Dec. '11), have also peaked at No.1, but not on debut, making a total of five No.1 albums in less than a decade. Other artists that have accomplished this feat include **The Beatles**, **U2**, **Pearl Jam** and **Madonna**.

**No.2 SAVE ROCK AND ROLL - Fall Out Boy.** The fifth album from US rock band, **Fall Out Boy**, also marks their highest ARIA Album Chart debut and the highest position ever achieved by the band. They were last in the charts with *Believers Never Die: Greatest Hits* (No.25 Nov. '09) and their best performance to date was with *Infinity On High* (No.4 Feb. '07). **FOB** also had one more top ten album with *Folie A Deux* (No.9 Dec. '08).

**No.5 FREE THE UNIVERSE - Major Lazer.** Making his ARIA Albums Chart debut is **Major Lazer**, the dancehall-inspired music project of producer **Diplo**. The artist previously released *Guns Don't Kill People...Lazers Do* in 2009, but it failed to make an impact on the chart. *Free The Universe* makes an impressive entrance in to the ARIA Albums Chart this week.

**No.7 GREATEST HITS - Ricky Martin.** It has been almost eight years since *The Voice* judge **Ricky Martin** has had a release on the ARIA Albums Chart. **Martin's** last release to chart was *Life* (No.44 Oct. '05) and his best performing release was his second album, *Ricky Martin* (debut No.1 May '99). **Martin** has had two other albums peak in the top 10 - *Vuelve* (No.2 June '98) and *Sound Loaded* (No.3 Nov. '11). *Greatest Hits* marks his fourth release to crack the top 10, faring better than his other hits compilation, *The Best Of Ricky Martin* (No.25 Nov. '01).

**No.17 MOSQUITO - Yeah Yeah Yeahs.** *Mosquito* is the fourth album from US indie trio, **Yeah Yeah Yeahs**. It matches the peak position of their last album *Show Your Bones* (No.17 Apr. '06). Their last release, *It's Blitz!* is their highest charting release, debuting at its highest point of No.8 in April 2009. The **Yeah Yeah Yeahs** first album, *Fever To Tell* debuted at No.86. in May 2003 and reached No.80 the following week, before dropping off the chart.

**No.27 WHEELHOUSE - Brad Paisley.** Country music superstar, **Brad Paisley** is back with his tenth studio album *Wheelhouse*. This is the fifth album to find a position on the ARIA Albums Chart, with his last release *This Is Country Music* (No.26 June '11) being his best performing album so far. However, *Wheelhouse* debuts at No.1 on the ARIA Country Album Chart this week, ironically bettering *This Is Country Music*, which only managed to get to No.2 in June 2011.

**No.28 INDICUD - Kid Cudi.** This is the fifth studio album from US hip hop artist **Scott Mescudi** AKA **Kid Cudi**. The performer last charted with *Man On The Moon 2: The Legend of Mr. Rager* (No.65 Nov. '10). *Indicud* is **Kid Cudi's** best chart debut and it is highest position achieved by any of his albums. *Indicud* features guests as diverse as **A\$AP Rocky** and **Michael Bolton**. **Bolton** first album to chart in Australia was *The Hunger* (No.36 July '88), when **Kid Cudi** was just four years old.

**No.62 INFESTISSUMAM - Ghost BC.** **Ghost BC** is a metal band from Sweden that formed in 2008. All of the members are anonymous. The group's five instrumentalists wear hooded robes that cover their face and are referred to as **Nameless Ghouls**. The singer, **Papa Emeritus II** wears a skull mask and cardinal outfit. *Infestissumam* is their second album and is their ARIA Albums Chart debut.

**No.95 BAD BLOOD - Bastille.** Formed in the UK in 2010, alternative rock band **Bastille** makes their debut on the ARIA Albums Chart with, *Bad Blood*. The album debuted No.1 earlier this year in March on the UK Albums Chart. The band got their name from the fact that singer, **Dan Smith**, was born on 14 July which is Bastille Day.

**No.96 RENEGADE - Jayne Denham.** One half country music, one half rock and roll, *Renegade* is first album to find a place on the ARIA Albums Chart for singer, **Jayne Denham**. Although this is her third album, **Denham** has not impacted the albums chart, but did crack the ARIA Country Albums Chart with previous albums *Sudden Change In Weather* (No.25 July '07) and *Shake This Town* (No.14 June '09).

**No.100 THE TERROR - The Flaming Lips.** Experimental indie rock royalty **The Flaming Lips**, are back with their fifteenth studio album, *The Terror*. The band was last in the chart with *Embryonic* (No.43 Oct. '09). The release before that achieved their highest position to date, *At War With The Mystics* (No.20 Apr. '06). Their critically acclaimed album *Yoshimi Battles The Pink Robots* (No.62 Mar. '04) achieved a gold accreditation in September 2004 and has been their only release to do so in Australia.

#1 Single this week
